IMPORTANT NOTICE !!!

READ EVERYTHING INCLUDED IN THIS NOTICE. THERE ARE IMPORTANT CHANGES THAT AFFECT THE PURCHASE AND RENEWAL OF LICENSES DUE TO THE ALABAMA LEGISLATURE PASSING ACT 2011-535, COMMONLY KNOWN AS THE IMMIGRATION LAW!

Section 30 of Act 2011-535 known as the Immigration Law, states that **persons conducting a business transaction** must prove that he or she is either a citizen of the United States or is a lawfully present alien in the U.S. residing in Alabama.

Business transactions include (but are not limited to): Purchasing or renewing business licenses (Corporations, LLCs and LLP are exempt from this law.)

The other side of this notice contains lists of documents that are listed in Section 29(k) of the Act that may be used to prove your United States citizenship or lawful presence status.

We have included spaces on the renewal notice forms for your driver license or non-driver ID number, issuing state and expiration date. You must complete all three categories (as well as sign the form). If you have an Alabama license or non-driver ID card, and we can verify your license information, no additional action will be necessary. If we cannot verify your Alabama driver license or non-driver ID number, you will have to submit one of the proof documents from the lists on the back of this notification.

If you have access to the internet, you may check the status of your driver license or non-driver ID card on the State of Alabama's Driver License Verification System website at <https://alverify.mvtrip.alabama.gov/> before submitting your renewal(s). If your license or non-driver ID does not verify, please submit one of the proof documents from the back of this page. This will help alleviate the need to return unprocessed renewals for failure to provide proof of citizenship or lawful presence, as well as help us return your new License and decals without delay.

If you are the registered owner of a business that is also registered with a co-owner or co-registrant you must also provide proof of citizenship or lawful presence for the co-owner/co-registrant. If you cannot provide proof of citizenship or lawful presence for the co-owner/co-registrant, you must put the Business License in the verified owner's name. For example, if the co-owner of a business is deceased, the deceased person's name must be removed from the License Account. Please be aware that Section 30 of Act 2011-535 establishes criminal penalties for entering into a "business transaction" on behalf of an illegal alien.

Also, if you are renewing the License, but the License is in someone else's name, proof of citizenship or lawful presence must be provided for both the owner of the business and the person signing to purchase or renew a license. A couple of examples are: divorce situations where, because of the divorce decree or financing obligations, the Business is registered to one person, but another must renew it, and students renewing a license on behalf of a parent who lives in another state.

If a business is listed as the owner (whether alone or in conjunction with an individual) and is not a Corporation, LLC or LLP, proof of citizenship or lawful presence must be provided for the owner of the business.

License Office personnel are endeavoring to make compliance with Act 2011-535 as smooth as possible. We ask for your patience and understanding as we attempt to do so. If you have any questions, feel free to call our office at the number below, or email us at cherren@cityofnorthport.org.
