

Please read the following before completing and signing the application.

- You must be a citizen of the United States or lawfully present in the United States to get a business license with the City of Northport. Proof of citizenship or lawful presence must be shown (i.e., driver’s license, passport, United States Visa, etc.).
- If you will have a physical location in Northport or will be operating a business out of your home, other departments must sign off on your location before a business license can be issued. Contact our office for more information.
- State law requires any facility selling food to have a current food service permit that is issued by the local county health department. Please provide a copy with this application.
- All HVAC, electrical, plumbing, landscaping and other trade or craft licensees must provide a copy of the appropriate State Certification Card required of said trade person or craftsman.
- City of Northport business licenses are based on gross receipts from the prior year. For a first-year business license, you must estimate your gross receipts from the time business operations begin until December 31st of the current year. This estimate will be corrected and annualized (if needed) the next year, which may result in a balance/credit being applied to the next year’s license fee.
- City of Northport business licenses are for a calendar year. Our business licenses expire December 31st and are to be renewed by February 15th to avoid penalty and interest. There is no waiver of penalties for business license. A renewal reminder will be mailed to the mailing address listed on this application.

Business License Fee – Contact our office at 205-339-7000 for help with code and fee.
